

Epson EpiqVision™ Flex CO-FH02 Full HD 1080p Smart Portable Projector

Projector

Business

Perfect for Business + Epic for Play

Display Stunning Images up to 300" — Full HD 1080p picture four times larger than a 75" flat panel delivers an immersive experience for business presentations, home viewing and beyond

Compact Design — Sleek, lightweight design easily fits in backpacks for easy portability on the go

Ultra Bright Images — 3,000 lumens of color and white brightness¹ deliver outstanding-quality images in a variety of lighting conditions

Best-in-Class Color Brightness² — Advanced 3-chip 3LCD technology displays 100% of the RGB color signal for every frame, allowing for outstanding color accuracy while maintaining excellent color brightness without any distracting “rainbowing” or “color brightness” issues seen with other projection technologies

Smart Streaming Capability — Android TV^{®3} interface with a simple-to-use remote—including voice search with built-in Google Assistant™; watch all your favorite streaming channels including Netflix®, Apple TV+®, Amazon Prime®, Hulu, Disney+, HBO Max™, YouTube™ and more; even stream live TV with apps like YouTube TV™⁴

High-Quality Speaker — Built-in bass reflex speaker perfect for business presentations and watching movies

Versatile for Virtual Meetings and Learning — Enhance meetings and learning at home with detailed, life-sized images perfect for Zoom calls and Microsoft Teams® video conferencing; enjoy virtual hangouts with friends and family like they are in the room with you

Chromecast™ Included⁵ — Wirelessly cast your favorite content directly from your smartphone, tablet or computer, including from popular Android™ and Apple® devices⁶

Advanced Scene Adaptive Color Correction — Automatic scene-based color correction produces a clear and natural picture—regardless of the content being played

All-Digital HDMI® Connectivity — Easily connect your laptop, cable/satellite box, Blu-ray Disc™ player, gaming console or streaming devices, such as Roku®, Amazon Fire™ TV, Apple TV® and Google TV™⁴
