

# Compact, affordable, fast and versatile

Streamline front-office processes with this affordable document scanner that combines the versatility of a flatbed with the convenience of a high-speed 50-page ADF to tackle virtually any task.

## Efficient

With one of the fastest scan speeds in its class at up to 25ppm, and a 50-page ADF, this compact and robust flatbed scanner will streamline workflows by allowing users to rapidly scan a large array of documents in the office.

## Versatile

Scan a wide range of documents, including books, bound documents, passports, delicate items and even documents over three metres long in one action. The ability to convert paper documents to Microsoft Office and PDF formats saves time and minimises the risk of inputting errors.

## Compact

With the smallest footprint in its class<sup>1</sup>, this scanner is the perfect compact solution that can be positioned in front offices and customer-facing environments with space restrictions, as well as back office workgroups.

## Collaborative

Epson's scanning software packages enable instant sharing and storing of scanned files, integrating with existing document management systems.

The smallest footprint in its class

1 - Based on data from the websites and brochures of the top five best-selling competitive scanner models in EMEA for the full year 2015 according to InfoSource Document Management Scanner Sales Full Year 2015.

# Powerful imaging technology

## Performance

### Uninterrupted operation

Featuring TWAIN and ISIS drivers, the scanners can be easily integrated with existing document management systems, seamlessly integrating into a customer's workflow.

### Intelligent imaging

In-built intelligent colour and image adjustment features such as auto crop, skew correction, blank page and background removal offer easy image enhancement with Epson Image Processing Technology.

## Connectivity

### Flexible connectivity

USB 3.0 connectivity means there is no slow down, even at 300dpi high resolution. The Wi-Fi and Wi-Fi Direct connectivity (DS-1660W) and optional network panel (DS-1630) offer a wide choice of integration options.

### Easy sharing and storage

Create up to 30 jobs and take advantage of easy, one-touch scanning to folders, email and online storage accounts with Epson Document Capture software compatible with Windows or Mac environments.
